Power sweeping enhances property appearance:

- Keeps walkways, curbs, corners and other areas clean where trash accumulates
- Keeps islands and grass areas clean
- Porter service available

Services listed below are available:

Upon request for an additional charge

- Asphalt repairs
- Pavement Coatings
- Parking lot striping
- Snow removal
- De-icing
- Pallet removal
- Large debris removal

Benefits of Power Sweeping

Curb Appeal:

Clean parking areas create a lasting first impression.

Cleanliness:

Cleanliness is a highly ranked factor in determining where people shop.

Prolongs Pavement Life:

Sand and dirt can act as an abrasive and will shorten the life span of the pavement, seal coating, and markings.

Water Runoff:

Power sweeping helps manage water runoff, and also aids in the prevention of pollutants in the rain water entering storm drains.

Liability:

Foreign objects such as glass, nails and other debris may put your company at risk.

Stress-Free Maintenance:

Let our professionally trained staff schedule a maintenance program designed around you, giving you more time to focus on your business.
